Profile

I am SJ Sinan, a data-driven Digital Marketer specializing in high-converting Ad campaigns and SEO strategies. My primary focus is generating revenue and maximizing ROI for businesses. With a technical background in Web Design, I ensure that marketing strategies are supported by fast, optimized funnels. As an ambitious HSC graduate, I am ready to scale brands with precision and creativity.

Organisations

Rural Innovators Bangladesh (RIB)

Trainee-Digital Marketing
09/2025 – Present | Dhaka

As a Digital Marketer at **Rural Innovators Bangladesh (RIB)**, I empower rural youth with free training to build self-reliant entrepreneurs and a prosperous society.

Professional Experience

Freelance Digital Marketer & Strategist

Self-Employed / Remote - Dhaka

02/2023 – Present

- Managed high-budget Meta & Google Ad campaigns, focusing on maximizing ROAS (Return on Ad Spend) and lowering CPC.
- Implemented Server-Side Tracking (GTM, GA4, Facebook CAPI) to fix data loss issues and improve ad targeting accuracy.
- Executed advanced SEO strategies (On-page & Technical) that improved organic search rankings and traffic for client websites.

Founder & Marketing Lead

JarirMart (E-commerce)-Dhaka

03/2022 – Present

- Founded and managed an e-commerce brand selling organic tea and spices.
- Developed a full-funnel marketing strategy using Facebook Ads to generate consistent sales.
- Managed social media content, customer engagement, and order fulfillment processes.
- Analyzed sales data to optimize product offerings and marketing budget.
